FEATURES

A low cost ECR with full size ECR features. Accounting is a breeze with daily and period-to-date reports while hourly reporting helps you plan for busy or slow times.

Printer

The Samsung ER-290 features a durable Epson printer with selectable receipt or journal print and a printing speed of 3.2 lines per second. The printer accepts either single or 2-ply standard 58mm (2¼") paper.

12 Departments

The Samsung ER-290 features 12 departments that can be programmed to be 'Positive,' 'Negative,' 'Single Item' or 'Preset.' Preset departments are available to price and count fast moving items. Departments may be designated 'single item' for fast registration of single item sales.

200 PLUs

Use the ER-290's price look ups (PLUs) to automatically price and track sales for up to 200 fast moving items.

Automatic Tax Calculation

Taxes are computed for up to four tax tables and are automatically added to each sale. Tax status can be shifted as items are entered, or at the completion of the sale.

Real Time Clock - Hourly Sales Reporting

The ER-290's real time clock automatically prints the time, changes the date and generates a sales by hour report detailing the net sales and customer count for each hour of the day.

Financial and Cash In Drawer Reports

The Samsung ER-290 gives you a thorough review of your business with a complete analysis of your department sales, function totals and drawer totals.

Period-To-Date Reports

The ER-290's period-to-date financial report can provide a summary of weekly, monthly or yearly totals for analysis.
